Proposal Number: 000701
Client Code: EXE8A82052
Proposal Date: 12/05/2017
Expire Date: 27/05/2017

General Description

This quote activates the following services within the Exentriq platform:

- **Media Library**

This feature allows you to quickly upload and manage multimedia content such as images, videos, and documents.

- **Website**

In this section we will create a e-shop pre-built (Open-Cart) website that will be lightly customized.

- **Contact (Contact Management)**

As an Address Book, you can enter, edit, and delete a contact list. Useful for sending newsletters or messages.

- **Newsletter**

Allows you to send newsletters to any contact list or to some groups.

- **Landing Pages**

- **Sms** (The cost of each sent sms is 0.10 € / SMS)

- **Social Share** (For sharing on various Social Network)

By linking accounts, you can comfortably publish the same post on different social.

- **Document Manager** (For Document Management in Cloud)

Allows document management in clouds

- **Program Board** (Tasks Management and Assignment)

A task manager at your fingertips. Thanks to the program board you can create, manage and assign the tasks to your different collaborators.

Enable internal chat for collaborators x 6.

Jdeed website will be migrated on Exentriq Servers.

Activating 6 collaborator accounts that will have access to the portal.
