BIO

.Hisayoshi Takeyama aka **DJ HISA** started his career as psychedelic trance DJ and party organizer in 2005. Developed the Tokyo-based Open Air Party, "OVERDRIVE" also "Land Of Rising Sun" featuring domestic and international DJs.

Playing in various parts of Japan, he adapts his sets and track selection according to the time he is playing, gluing the audience to the dancefloor.

The essence of his DJ and party-making has the sole purpose of forming a world of dreams by transferring his emotions into waves of sounds and combining with the positive energy the dancefloor emanates.
