

MyUCSDChart

Connect online with your health care team and your medical records

MyUCSDChart is an online tool you can use to connect with your health care team and your medical records — any time you like. With this secure, private connection, you can:

- Send non-urgent messages to your clinic
- View select test results
- Read messages from your physician
- View your current list of medications
- Request prescription renewals
- Receive important health reminders
- Request non-urgent appointments
- Track vaccinations and other information
- Link to related medical websites

Signing up is easy. See the reverse side of this card for easy instructions.

Mobile app is available.
Search for "MyChart."

How to sign up for **MyUCSDChart**

1. Go to **MyUCSDChart.ucsd.edu**.
2. In the “New Users” box, click “Sign Up Now.”
3. Enter your Activation Code exactly as it appears below:

4. You will only need to use this activation code during the sign-up process. This activation code is valid for 90 days. If your activation code has expired, please call Customer Service at **619-543-5220** to request a new one.
5. Enter your social security number and date of birth when prompted, and continue to next page.
6. Create a username — this will be your **MyUCSDChart** log-in username.
7. Create a password (you may change your password at any time).
8. Enter your password, reset your security question and provide an answer.
9. Enter your e-mail address.
10. Click “Sign In.”
